Angels Watch Over My Baby (girl)

by Amy Robbins-Wilson

Angels watch over my baby,
Grant him a lifetime of your care
So that even when I cannot be with him
I'll know you will always be there.

Angels watch over my baby,
Grant him a lifetime of your love
So that even when my eyes are closed
I'll know that you watch over from above.

Angels watch over my baby,
Bless every eyelash and curl
For there is no one on earth any dearer
To me, than my little baby girl.
